 - Possible Booster Club booths: Nails, Airbrush - Tatoos, Jamba Juice, bake sale
- Recycle night will be happening at the end of month and will be hosted by Micky
- Angel bins - Galdina
 - Potential fundraiser
 - We could start small by hosting a "drive" for clothing, shoes and books and Angel bins would bring a 16ft truck; the donations would be measured by weight at around 15 cents/lb
 - Another option is a shoe drive; higher return at 60 cents/lb but requires X amount of shoes per donator
 - Possible option actually setting up a bin. Would need to find a location and ensure that donations occur and we would get paid per month as long as the donation were at an acceptable level
